We are mindful of the Covid 19 situation and if the country is still at level 3 the match will not be able to be held. This decision will be made by Friday September 17 and all Associations will be notified. If however we are at level 2 we would ask that people complete the contact tracing form or scan the QR code which will be available, along with respecting social distancing as much as possible. Although we would very much like you to be part of the day, if you are unwell or showing flu like symptoms please do not come this year. The match will be conducted under current NZPA rules. Please be familiar with the safety policy, clause 36 of the current rule book.
