

April 2024 Newsletter

Well, what a fantastic evening, held at the Awapuni Racecourse, Palmerston North, Friday 8th, March. New Zealand Ploughing Assn had nominated Bob Mehrtens in the Sportsman of the Year category, sponsored by PTS Logistics. There were 10 other nominees and from the ten, three were selected as finalists. The three finalists were Bob Mehrtens, Jack Jordon, wood chopping and Neil Evans, sheep dog trialing.

The winner of the sportsman of the year was Jack Jordan and he actually went on to win the overall Ford Supreme Rural sports award. Great effort.

The evening consisted of awards in 7 categories, plus the supreme award. Leading into each category was a guest speaker, some that spoke were Joseph Sullivan, rowing, Gilbert Enokna, mental coach for the All Blacks and other sports teams, Holly Robinson, para-Olympian. These people were outstanding, opening your eyes into their world. Gilbert was exceptionally interesting. With each category was a sponsor who read the winners name out and presented the trophy.

The Rural sports awards have been going for about 10 years first taking place in Queenstown then with a move to Palmerston North as the organising committee thought that this would reflect more of a rural background and the Mayor of Palmerston North was on the committee at the time.

The whole Rural Games is actually over two and half days with different rural sports taking place at the square in central Palmerston North. A great site and very well organised, take your hats off to the whole organisation.

Bob was accompanied by his wife Raewyn, his daughter Mirinda and husband Bevan, Jenny and myself plus Leon and Aaron from Power Farming. It was great to have Power Farming there as NZPA's main sponsor and a sponsor of the rural games.

Now that ploughing is on the radar of the Rural sports awards, hopefully NZPA will have the chance to nominate people in the future. If you ever get the opportunity to attend this event, I would thoroughly recommend it.

Ice breaker evening

We are excited to announce Saints Public House, 571 Horotiu road, Te Kowhai as the venue for our icebreaker evening. The venue is only 4.3 km away from the ploughing site and will be open as a private event. Start time is 6:00pm Wed 10th April. The kitchen will be open for anyone who wishes to buy dinner prior to the icebreaker starting. The bar will be open to purchase drinks, and finger food platters will be served later in the evening. We have plenty of room for friends and family to attend as well, but we do need them to register beforehand so that we can cater for them accordingly. We are looking forward to welcoming you all here! To view Saints public house menu and other details follow the link to their website: https://saintspub.co.nz/

There will be 2 official practise days.

Day 1 --Wednesday 10th April. --This practise is to be held at 265 Crawford Road, which is across the road from the competition ploughing site.

This is maize stubble which has been mulched.

On the practise day the plough men & women have to be on site by 12 noon.

The plot size is 40m x 12m.

Access to this practise site is along a tanker track which is narrow so please drive slowly & be courteous of vehicles coming the other way.

Day 2--- Thursday 11th April---This practise day is on the competition site, 264 Crawford Road.

This is Triticale stubble.

If you have a Sat-Nav, Vehicles Maps function or phone you can turn on for directions we suggest you do so.

All instructions are from LIGHTS CORNER TE RAPA ROAD & GARNETT AVENUE. Coming from City SPOTLIGHT is on left . Coming from Distinction Hotel SPOTLIGHT is on right and you will turn left.

For the PLOUGHING site the road closure of the Horotiu Road Exit on the Great South Road is problematic and best avoided although we will have it signed from the lights at Horotiu.
